

# Submission Guidelines for NCHC Conference *Student Poster Session*

## I. Complete an abstract:

- Summarize your project, including topic, question or issue, methods, results or findings, and the impact or significance of the project. (200-300 words)

## II. Include the following proposal requirements:

- Title of the presentation
- Names and contact information of presenting author
- Abstract
- Initials for category that represents topic (below)
- Brief description (50 words) that will appear in the conference program, if accepted.

## III. Select the one category that best fits your topic:

- **AVM** - Art & Visual Media (photography, paintings, sculpture, other artistic creations)
- **A&H** - Arts and Humanities (Literature, philosophy, communications, art history, etc.)
- **BEC** - Business (economics, accounting, management, etc.); Engineering (chemical, computer, electrical, environmental, mechanical etc); or Computer Science
- **DIV** - Diversity issues on any dimension (Gender Studies, etc.)
- **E&P** - Education and pedagogy (learning initiatives, program development & assessment, experiential learning, community service, study abroad, etc.)
- **ENV** - Environmental science, conservation, pollution, green technology, & sustainability
- **HS** - Health Sciences (Disease related projects, nursing, healthcare, public health, etc.)
- **NSM** - Natural Sciences and Mathematics (Biology, chemistry, physics, math, biochemistry, neuroscience, etc)
- **SJ** - Social Justice
- **SBS** - Social & Behavioral Sciences (Psychology, sociology, history, political science, anthropology, social work, etc.)

#### **IV. Submit an abstract draft to receive feedback:**

- Email a draft of your abstract to me at [ngrossma@depaul.edu](mailto:ngrossma@depaul.edu) no later than **February 24**. I'll be happy to help you get it into good submission shape!

#### **V. Submit your proposal to the link below:**

- Submit your [NCHC23 Proposal here!](#)
- **Deadline: February 28, 2023, 11:59 PM CST**

#### **VI. Create a poster (if accepted):**

- Students accepted to the conference will create a poster that will provide viewers with a visual representation of their project. (The Honors staff can assist you with this!) Review the [student poster guidelines page](#) for examples and more information about poster design.
